ASSUMPTION SCHOOL WEEKLY NEWS

October 17, 2018

Well, it looks as though fall is here, with cooler temps and sunny skies! I am enjoying the sun as we have had so much rain lately.

I hope that each family has taken the opportunity to check out their child's grades. Progress reports were done on Friday. Some of the reports came home via an envelope, and some you had to view on edge2day.com. Either way this a great time to chat and set goals with your child about how to improve or maintain the grades they have.

With that, I am looking forward to Jogathon and watching the students having fun and getting exercise with their friends! Thank you again for all you do to make Assumption great!

God's Blessing-
