ASSUMPTION SCHOOL WEEKLY NEWS

October 3, 2018

## Jogathon

Our annual Jogathon will be on October 12th. This is one of our biggest fundraisers and we look forward to a great day!

With the weather changing for the cooler I would like to remind you that our uniform will change from our warm weather optional to regulation uniform beginning on October 9th. Please read over the uniform policy (found on our website) and be sure your child has all of the items needed for that uniform. We will be working with the students to make sure they are in the correct uniform each day. They will receive a few verbal warnings, but then they will receive a dress code violation. An accumulation of three dress code violations results in a detention. Thank you in advance for taking care of this important piece of our school.

Our first meeting of the Drama Club for grades four through seven went very well. We sure do have an abundance of talent here at Assumption School! I am looking forward to our first show in November.

Our MAP testing has gone very well so far. The students seem to be open to this new type of testing and are adapting well.

I hope to have another fire drill in the next week with the students in preparation for Fire Prevention Week.

Have a great long weekend!

God Bless,

Mrs. Olson =)

## Grandparents' Day

It was wonderful to see all the grandparents come to be with their grandchildren at Mass and in the classroom! We would like to thank PTG for the reception after Mass.

## Uniform Shop/Swap

Thank you to Leigh Ann Payne for organizing the Uniform Shop/Swap. This is a great help to many families.

Allen's Uniforms carries our fleece jackets. If you would like to purchase one, please contact Allen's.
