ASSUMPTION SCHOOL WEEKLY NEWS

September 17, 2018

We had our first fire drill of the school year and the students did great. I was very impressed with how quiet and orderly all of the students were leaving the building and waiting for the all clear.

Our first movie night of the year went very well and there were so many families there. I cannot thank Mrs. Champigny and her crew enough for putting together the evening.

This next week we begin taking our MAP tests. See enclosed information. I am looking forward to the data that this test will generate and that the teachers will be able to use right away in their classroom.

Have a great week.  
God Bless-

Mrs. Olson =)

### Grandparents' Day (CHANGE)

Grandparents' Day will be held on Monday, October 1st. Grandparents are welcome to sit with their grandchildren at 9:00 AM Mass, and stay for a small celebration after Mass. This is for Kindergarten through Grade 7. PreK will have a Grandparents' Day Celebration in their classrooms at 9:00 AM. PreK will not go to Mass that day.

### Pizza Friday

Pizza Friday is on September 28th. Order forms with payment are due by Monday, September 24th. There are no exceptions, as we need to order and pay for the pizza that day. Thank you!

If you are the first car in carline at the end of the day and the cones have not been moved by 2:50, you may move them to the stairs. Please make sure there are no students in the school yard first. Thank you for your help!

In the weakness and frailty of our lives, we can turn to God with the confidence of children and enter into communion with him. In the face of so many wounds that hurt us and could harden our hearts, we are called to dive into the sea of prayer, which is the sea of God's boundless love, to taste his tenderness.

—from the book *Believe in Love: Inspiring Words from Pope Francis*
